Types

This index contains information about Doukhobor elders and advisors who incited the young men of their villages to refuse to bear arms in 1895. These Doukhobor elders fell into two categories based on their region of origin:

E-E Elizavetpol elders arrested and jailed in Elizavetpol prison in June 1895; transferred to Nukha prison, Elizavetpol in December 1895; exiled to Yakutsk, Siberia in August 1897; and released in June 1905.

K-E Kars elders arrested and jailed in Kars prison in June 1895; transferred to Metekhi prison, Tiflis in January 1896; exiled to Yakutsk, Siberia in August 1897; and released in June 1905.

Note: Doukhobor elders from Tiflis province were exempted from the above-noted punishments owing to their domestic circumstances (i.e. they were already subject to civilian exile).
